

Friends of St. Albert Public Library

The Friends of the Library are library lovers who volunteer, fundraise, and advocate to support the St. Albert Public Library.

Since 1988, we have donated over \$200,000 to the Library.

Every year, that number is boosted by supporters who attend our exciting events like Reel Monday movie nights, beer and chocolate pairing, and more.

We proudly voice our support for the Library, attend programs, and stack our shelves full of Library books.

Our executive team includes the following roles:

- **President:** Coordinates and supervises Friends activities and liaises between the Friends members, Friends Executive, and the Library Director
- **Vice-President:** Performs the duties of the President when necessary and reports on committee work
- **Secretary:** Responsible for all correspondence, including the minutes of the meetings and meeting attendance
- **Treasurer:** Responsible for all the monies of the organization, maintaining accurate financial records, and preparing an annual budget
- **Fundraising Chair:** Coordinates the various fundraising activities
- **Casino Chair:** Coordinates and files paperwork for casino volunteering activities
- **Marketing Chair:** Creates digital communications, graphic design, and promotions
- **Library Board Representative:** Provides updates and support on behalf of the Library Board

Everyone is welcome!

“In a world of changes, contributing to the health of your library is one of the only legacies that really lasts. And in building a legacy for your loved ones, you’re also investing in a more literate, more enlightened world.”

Lois Hole
